

PROGRAM ACTIVITIES FORM

Greetings from New Pond Farm Education Center!

We have had terrific feedback about our July Programs, and we are looking forward to sharing more outdoor programming with you throughout the fall. Our safety protocols and procedures will still be in place. We are doing our best to ensure that parents, students, and our staff feel confident that we will be sharing a safe learning environment. We need to work together to make these protocols effective so please read this page carefully.

On the first day of your program we will ask you to sign the Paragraph of Understanding and Release on the bottom of this page.

Safety Precautions that will be in place

Group Size: Six people plus our educator.

Health Screening: Please come a few minutes early so that temperatures may be taken, anyone with a temperature of 100 degrees or more will be asked to go home.

Note: all staff members will go through the same daily screening.

Masks: Our teachers will be wearing theirs and we ask that all children wear masks or cloth face coverings to protect themselves and others. When we are predictably distanced, children will be invited to remove them.

The Learning Center: Will be open to our staff members and students, not the general public.

Locations: Our programs will be conducted out on the property and under well-spaced pop-up tents. Children will be spaced at either end of our 6' tables when doing crafts. In the event of torrential rain or thunderstorms we will offer an alternate program and carefully space the children between our indoor Gathering Place and Classroom (two rooms in our Learning Center).

Bathrooms: Bathrooms will be cleaned between each use.

Hand Washing: Handwashing stations or hand sanitizer will be provided.

Enhanced Cleaning: Our tables, program equipment and any high-touch surfaces (door handles) will be sanitized at the beginning and conclusion of each class.

Tools & Supplies: We have an ample supply of items like pond strainers, magnifying glasses, and craft supplies so they will not have to be shared. Items will be washed down with disinfectant between classes. When it comes to crafts, each child will be given their own supplies.

Before your child leaves home:

- Make sure your child has a well-fitted mask or cloth face covering
- Wear clothes and shoes that are exploration-friendly! No open-toed sandals, please. If you are signing up for Wetlands programs, then please wear shoes that can get wet. Hats are great!
- Put on sunscreen (and if you choose, bug spray)
- Pack a water bottle

Protocol if students or staff members have Covid-19 symptoms

- If a student or a staff member tests positive for COVID-19, or has come into prolonged contact with someone who has, we will maintain patient confidentiality but will notify all families and local health officials as soon as possible.
- Anyone who is determined to have had close contact with the affected person will be excluded from future programs for 14 days (credit given)
- Should public health guidelines change our plans, we will alert families and refund registration fees if requested.

Paragraph of Understanding & Release

_____ To the best of my knowledge, my child has not been in contact with anyone who has Covid-19

_____ To the best of my knowledge, my child has not been displaying any symptoms of Covid-19

_____ I have read the safety precautions that are being put in place by New Pond Farm Education Center ('The Center') for the 2020 summer season, but understand there are no guarantees that my child will not be exposed to Covid-19 there or elsewhere.

_____ By signing this Paragraph of Understanding and Release, I, the legal parent/guardian, grant permission for myself/my children to participate in summer programs at New Pond Farm Education Center. I agree to release and hold harmless The Center and its directors, officers, employees, and other children at The Center from any and all injuries or claims which may result from my/my children's participation at The Center, including but not limited to exposure to Covid-19.
