SEASONS:

SP: March - May

SU: June - August

FA: September - November

WI: December - February

ABUNDANCE CODE:

C (Common)

Likely to be found in appropriate habitat, sometimes in large numbers.

U (Uncommon)

Present in small numbers, but not always seen or heard.

O (Occasional)

May occur annually in very small numbers, or not at all.

R (Rare)

Unexpected to be seen in any given year.

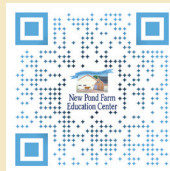

*Abundance Code reflects the distribution throughout CT, although not seen during the 1yr NPPEC survey

New Pond Farm is an environmental education center with a model working farm located in Redding, CT. Our 102-acre property, with its 2.5 miles of trails, offers a wide variety of habitats for wildlife including deciduous woodlands, wetlands, pastures, meadows, and pollinator gardens.

Our enthusiastic staff members share engaging hands-on programs throughout the year with learners of all ages, and we provide scholarship programs for children from Title 1 Schools. Our main areas of emphasis are: the environment, agriculture, science, local history, and the arts.

Our property is open to Members from dawn to dusk. Non-members are invited to bring their binoculars and to enjoy a day of birding. Please stop by our Learning Center for a trail map and to learn of any updated sightings. **We hope that you will be inspired to become a member of the Education Center so the property will be open to you whenever you'd like!**

For more information, please use the QR code below or visit newpondfarm.org.
