State of Connecticut Department of Education
Health Assessment Record

To Parent or Guardian:

In order to provide the best educational experience, school personnel must understand your child's health needs. This form requests information from you (Part 1) which will also be helpful to the health care provider when he or she completes the medical evaluation (Part 2) and the oral assessment (Part 3).

State law requires complete primary immunizations and a health assessment by a legally qualified practitioner of medicine, an advanced practice registered nurse or registered nurse, licensed pursuant to chapter 378, a physician assistant, licensed pursuant to chapter 370, a school medical advisor, or a legally qualified practitioner of medicine, an advanced practice registered nurse or a physician assistant stationed at any military base prior to school entrance in Connecticut (C.G.S. Secs. 10-204a and 10-206). An immunization update and additional health assessments are required in the 6th or 7th grade and in the 9th or 10th grade. Specific grade level will be determined by the local board of education. This form may also be used for health assessments required every year for students participating on sports teams.

MEDICAL RELEASE

By enrolling my child in New Pond Farm Education Center Summer Camp, I grant permission for him/her to participate in all of the activities of the program except where medical restrictions apply.

New Pond Farm Education Center does not have a registered nurse on site. All medication administration and first aid will be conducted by a staff person certified in CPR/AED/First Aid and Injectables/Inhalants/Topicals. I grant permission for New Pond Farm staff to take whatever steps necessary to obtain medical care for my child including:

1. Administering aid
2. Contacting parents/guardians
3. Calling EMS for transport by ambulance to Danbury Hospital

I, the undersigned, hereby consent to and authorize the Danbury Hospital, Danbury, CT, or physicians in charge of providing services to New Pond Farm Education Center, to carry out emergency treatment or diagnostic procedures as deemed necessary or advisable if I cannot be reached.

I understand that in case of illness or accident, I will be notified as soon as possible and that this is permission for emergency care.

_____

Swimming in the pool at New Pond Farm is a camp highlight. *By enrolling my child in the New Pond Farm Education Center Summer Camp, I grant permission for my child to use the pool and engage in all pool related activities.*

Our summer staff includes a Red Cross certified Lifeguard who will monitor all pool activities. All other camp staff are certified in CPR and First Aid.

The Lifeguard will evaluate each camper's ability level in the water and will have the final say regarding pool usage. Only those campers who have demonstrated both adequate skill and stamina will be allowed in the deep end without a life vest.

New Pond Farm Summer Camp is fully licensed by the State of Connecticut's Office of Early Childhood. However, because the pool is not a *public pool*, it does not comply with State standards as related to width and depth. New Pond Farm has permission from the State to use the pool for summer camp and complies with all other requirements.
